With over 1.45 billion people around the world who believe in reincarnation, including 30% of Americans, Landrum asks the question, “Why aren’t there more of these stories out in the world?” To fill this need, she’s not only offering the first book of this enthralling new trilogy to readers for only 99 cents, she also launched the Life is a Trip! “I am thrilled to introduce ‘We Meet Again’ to readers,” said Brownell Landrum. “This trilogy is near and dear to my heart. A deep dive into the concept of reincarnation and its impact on our lives, each book is a journey through time, exploring how the echoes of our past shape who we are and the choices we make.”
